

RAMBLER 1968
AMERICAN

1966 Rambler American Two-Door Sedan in London Tan

AMERICAN

It's the lowest-priced* car made in the U.S.A.

Lowest by a lot.

Price-wise*, it's far under the U.S. compacts—closer to the much smaller cars made outside the U.S.A.

But buy-wise, the American 2-door sedan is miles ahead.

It's 20 in. longer, 10 in. wider, with plenty of leg room front and rear (4 in. more than

the leading small European car allows back seat passengers). And double the trunk space.

Yet it turns around in the same circle.

You get a lot more power; a 199 cu. in. 6-cylinder engine is standard (while the other small car has only a 4-cylinder engine). And three bigger engines are extra-cost options—so are "shift-command" automatic and 4-on-the-floor.

*Based on a comparison of manufacturers' suggested retail prices.

Rambler American 4-door. And Rogue.

There are two 4-door sedans. The one at top left is the lowest priced* 4-door made in the U.S.A. The 440 at lower right costs a little more because it's better dressed. This one gives you a big protective side molding outside, and a choice of four interior colors in fabric (or optional vinyl) with loop pile carpeting wall-to-wall.

Then there's the 4-door-and-tailgate 440 at upper right that's the lowest priced* wagon made in the U.S.A. With everything you get in the 440 sedan plus the fact that the upholstery is vinyl! Options: a hellier 232 cu. in. six plus a pair of 290 V-8s... that rooftop travel rack... and a special handling package for heavy hauling on rough roads.

*2005 Kelley Blue Book American 440 Sedan

The American Rogue is the 2-door hardtop you see at lower left. Here, the big 232 six is standard. Notice the optional wire wheel covers and vinyl covered roof. Other options: eye level tachometer, V-8 engines, "shift-command", 4-on-the-floor, specially installed springs-shocks-and-swaybar, power disc brakes. Roguish.

Rambler American Specifications

Dimensions: Wheelbase 106" (2.69 m.). Length 181" (4.60 m.). Width 70 8" (1.80 m.). Front track 56" (1.42 m.). (56 4" (1.43 m.) V-6). Rear track 53" (1.40 m.). (55 3" (1.404 m.) V-8). Trunk luggage 12 cubic feet (.34 m³). Wagon cargo 66 cubic feet (1.87 m³).

Body: Standard safety features (see last page). All-welded, Single-Unit body construction (safe, strong, durable). Deep-Dip body rustproofing. Fresh air ventilation. Triple coated Lustre-Gard acrylic enamel in 13 colors (6 for basic models). Molded ceiling. Curved side-panels. Extruded aluminum grille. Front armrests. Rear armrests for 440 and Rogue. Cigarette lighter for 440 and Rogue. Front ashtray. Rear ashtrays for 440 and Rogue. Full-width carpeting for 440 and Rogue (rubber for basic models, carpet with 4-speed transmission). Coil-spring seat construction. Front seat foam cushion. Dome or side-pillar lights. Glove-box lock for 440 and Rogue. Two coat hooks.

Mechanical: Direct-action, independent coil-spring front suspension with sway bar on V-8's. Rear suspension with semi-elliptical leaf springs. Hypoid gear differential. Self-adjusting brakes with bonded linings. Brake diameter for Sixes 9"; lining area 153.8 square inches (992 cm²). Brake diameter for V-8's 10" (25.4 cm.); lining area 167.5 square inches (1081 cm²). Standard 4-ply-rating, 2-ply tires; 6.45x14 on Sixes (except wagons), 6.95x14 on V-8's and Six wagons (see "Options"). Ceramic Armored muffler, tailpipe and exhaust pipe. Engine-oil filter. Fuel filter in tank and fuel pump. Fuel-tank approximate capacity, 16 gallons (60.56 l.). All-Season engine coolant. Anti-smog positive crankcase vent. "Engine Mod" exhaust emission control system ("Air-Guard" on V-8's with manual transmission). Automatic choke.

Electrical: Dual horns for 440 and Rogue (one for basic model). Standard 35-amp electronic alternator and sealed transistorized voltage regulator (40-amp with air-conditioning). Power-Guard "24" Intercell battery, 50 amp standard, 60-amp standard with air-conditioning, 70-amp optional.

Rambler American Options

Engines, transmissions and axle ratios are on last page. Two-tone paint. Black or off-white vinyl-covered roof for Rogue. Vinyl upholstery, standard on wagons. Individually-adjustable reclining seats. Headrests, right and left. Shoulder belts and mid-passenger seat belts (see last page). Weather Eye heater. All-Season air-conditioning (includes 60-amp battery, 40-amp alternator and heavy-duty engine cooling). Power steering. Power brakes. Power disc brakes for V-8's. Automatic transmission oil cooler for Sixes (standard on V-8's). Twin Grip rear axle differential. Sports wood-grain-look steering wheel for 440 and Rogue. Custom steering wheel for base car (standard on 440 and Rogue). Solar glass, all or windshield only. Wheel discs. Turbo-Cast wheel covers. Wire-wheel covers. Appearance Group: rocker panel moldings and wheel discs. Electric wipers. Visibility Group: remote-control left side mirror, visor vanity mirror, electric windshield washers and electric wipers. Light Group: trunk or cargo light, two courtesy lights, glove-box light, parking brake warning light, head-lights on warning buzzer, and front door switches for base models. AM push-button radio. Roof-top travel rack for wagon. Bumper guards, front and rear (wagon, front only). Insulation Group: undercoating and hood insulation. Heavy-Duty engine cooling: radiator, power flex fan and shroud (standard with air-conditioning). 70-amp battery (40-amp alternator standard with air-conditioning). 70-amp battery and 40-amp alternator (for cars less air-conditioning). Engine block heater. Handling Package for 6-cylinder: front sway bar, heavy-duty springs and shock absorbers. Handling Package for V-8's: larger sway bar, heavy-duty springs and shock absorbers, 5½" rim wheels. Heavy-Duty clutch for 3-speed transmission (128 HP 6 or 200 HP V-8). Tachometer for V-8's. Tires: 6.45x14 standard, 6.95x14 optional for 6-cylinder sedans and hardtops; 6.95x14 standard, 7.35x14 optional for all V-8's (6.95 and 7.35 in 4-ply-rating, 2-ply or 6-ply-rating, 4-ply, black or whitewall); D70x14 wide profile red line tires with 5½" rim wheels for V-8's (except wagons).

Safety Features

Interior: Optional two retractable front-seat belts, two rear-seat belts, front shoulder belts. Optional mid passenger seat belts, front and rear. Rear shoulder belt anchors. 4-Way hazard warning signals. "Lane changer" for turn signals. High-strength door locks. Safety-shaped door handles, cranks, control knobs, coat hooks, armrests. Padded front-seat back. Automatic lock with manual release for front-seat back on 2-door models. Folding rear-seat-back latches for station wagons. Energy-absorbing safety steering column. Deep-dish 3-spoke steering wheel. Padded instrument panel. Ball-bearing "break-away" front ashtray. Padded sun visors. Front-seat headrests (optional). Molded seatbelts.

Mechanical and Exterior: Double-safety brake system with brake system warning light. Side of car safety markers. Mechanical stop light switch. Automatic back-up lights. Tread-wear indicator molded into tire tread. Uniform shift pattern for automatic transmission. Corrosion-resistant brake lines. Safety rim wheels. Two key locking system. **Visibility:** "Safety-styled" instrument-panel layouts and controls. Non glare finish for various interior parts. Inside rear-view day/night mirror or with twin pivots and protected edges. Rear view left side mirror. High-strength, thick-lensmate windshield glass (safety glass all-around). Windshield washers, manual (electric, optional). Variable speed non-flare windshield wipers with vacuum power-booster (variable-speed electric, optional). Defrosters.
